

Coming into the light (Being Born)

**D A B F#**  
When I came into the light  
**G D G A**  
I wanted to go back  
**D A B F#**  
It was warm en nice in there  
**G D G A**  
The light was cold

**D A B F#**  
When I came into the light  
**D A B F#**  
When I came into the light

**D A B F#**  
I came into the world  
**G D G A**  
Like most of us do  
**D A B F#**  
By being born  
**G D G A**  
By leaving the womb

**D A B F#**  
When I came into the light  
**D A B F#**  
When I came into the light

**D A B F#**  
I did not know what to expect  
**G D G A**  
I did not know what would happen  
**D A B F#**  
But I have a lot of respect  
**G D G A**  
For women who gave birth

**D A B F#**  
When I came into the light  
**D A B F#**  
When I came into the light

**D A B F#**  
Now what will become of me  
**G D G A**  
What choices will they make for me  
**D A B F#**  
Did I get the right Mom an Dad  
**G D G A**  
Or was I doomed from the start

**D A B F#**  
When I came into the light  
**D A B F#**  
When I came into the light

**D A B F#**  
When I came into the light  
**D A B F#**  
When I came into the light

**D A B F#**  
When I came into the light  
**D A B F#**  
When I came into the light
